JOB SEEKER SERVICES

New Mexico
Workforce Connection

Assistance with job search, resume writing, interviewing techniques, and employability skills

www.jobs.state.nm.us

What We Do

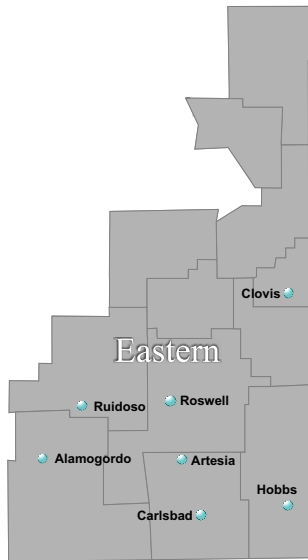

We are dedicated to enhancing the productivity of New Mexico's workforce, and supporting all employment seekers in New Mexico by connecting employers with qualified job seekers.

The New Mexico Workforce Connection Centers are designed to assist individuals who are seeking employment and those who are seeking career advancement through development of their job skills through individual study and or formal education and training from our trained staff.

Stop by our Workforce Connection Center and explore your options with one of our career development specialists.

Additional Services

ON-THE-JOB TRAINING

We fund up to 50% for up to 1,040 hours for job seekers in the Workforce Investment Act program in order for them to attain the experience and skills they need. This includes apprenticeship for the construction trades and skills upgrade for incumbent workers.

SHORT TERM TRAINING

We fund short-term training such as pre-employment skills (e.g., computer classes, soft skills) and exam preparations, as well as credentialing/licensing fees for job seekers in the WIA program.

EDUCATION

We fund up to 104 weeks of education for job seekers in the WIA program in order for them to attain a degree or other industry-specific credential.

JOB POSTINGS

View advertisements for job openings around the state. Search by location, employer, education, skills requirements and much more.
