

PRE NURSING

Certificate of Completion

28 credit hours

This certificate will provide students with coursework identified by the New Mexico Nursing Education Consortium (NMNEC) as the common statewide prerequisites and general education courses for a BSN. Students completing this certificate can transfer to any state funded NMNEC New Mexico Community College or University and apply for admission into their ADN program. Upon completion students will be able to:

- Achieve a general education that serves as the solid base for the practice and education of nurses, as defined by NMNEC
- Assemble entrance packet required to enter a nursing program
- Sit for entrance exam dictated by nursing program

Any student who is ineligible for state, national, or industry licensure or certification is ineligible for entry into this program.
