Loan Information

Please **increase** the accepted amount of my Direct Loan for this aid year to:

\$ _____ **Subsidized** Direct Loan

\$ _____ **Unsubsidized** Direct Loan

I understand this action will increase my debt on my Federal Direct Loan and that these funds should be used to pay only those expenses directly related to my education.

Student signature: _____ Date: _____

ENMU suggests students use their **Subsidized Direct Loan** funds first as they may have better terms under certain conditions.

Remember, professionals are available in the Office of Financial Aid to help students analyze their educational expenses so they may borrow as frugally as possible.
