

### FAFSA Money Mondays: Fund Your Future

The FAFSA process is free and easy. Every Monday from 3-6 p.m., students and/or parents can log in to a virtual help session, FAFSA Money Mondays. At FAFSA Money Mondays, they have professionals from the local universities and volunteers there to help you complete the FAFSA or simply answer questions about continuing your education. For more information email: [Outreach@nmeaf.org](mailto:Outreach@nmeaf.org) or visit <http://www.nmeaf.org/money-mondays>.

### NSLS Speaker: Daymond John Tuesday, Room 106

Daymond John is the free speaker hosted by the student organization, The National Society of Leadership and Success (NSLS), Tuesday in Room 106. John is the CEO and founder of FUBU, the \$6 billion global lifestyle brand created to represent overlooked communities. He's also a star and original member of ABC's four-time Emmy Award-winning show Shark Tank, helping entrepreneurs grow their own business.

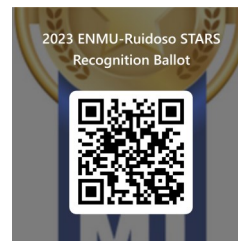

### Student Breakfast with President Trospen Thursday on Campus

Attention Students: You are invited to join President Ryan Trospen for a free breakfast Thursday, March 9, on campus in the Tiered Area from 8-11 a.m. He wants to know what he and the college staff can do to help you be successful here at ENMU-Ruidoso.

### ENMU-Ruidoso Annual Award Nominations Due March 15

Nominate your favorite full-time and part-time professor, staff member and a friend of the College by March 15. Nomination ballots available in the Learning Commons and online by scanning the QR code to the right. The Annual Award recipients will be recognized at the Commencement Ceremony May 11 at Inn of the Mountain Gods.

### Cybersecurity Professor Presented at National Conference

ENMU-Ruidoso's Cybersecurity Professor Stephen Miller presented "Growth in Cyber/Cybersecurity in Windfarms/Energy Sector, and Native American Commerce" at the University of Texas at San Antonio (USTA) Academia Involvement in Community Cybersecurity Conference. His presentation provided an overview of our community outreach with dual credit, the CTE CyberNet training of high school teachers, the work on Windfarm Cybersecurity, and our work with Mescalero High School and the Mescalero Tribal Council and NCyTE grant work with Native Americans.
