

### ENMU-Ruidoso Grand Open House & Dedication Celebration July 31, 4 p.m.

ENMU-Ruidoso will host a Grand Opening with an Open House and Dedication Celebration Monday, July 31, 4 p.m. in Room 201 and Tiered Area. Faculty, staff and students will showcase the College's academic and community education programs and services, and student organizations. We are excited to have special guests join us for the momentous occasion; legislators, elected officials, ENMU-Ruidoso Community College Board and Foundation Board, ENMU Board of Regents, ENMU System Chancellor Dr. James Johnston and First Lady Stephanie, as well as former ENMU-Ruidoso Presidents: Dr. James P. Miller, Jr., Dr. Michael Elrod, Dr. Clayton Alred, and Dr. D. Ryan Carstens with a special performance by the ENMU-Ruidoso Community Choir Performance.

In partnership with Albertson's Market and Calvary Chapel Church, the College will host the third 5th Monday free Community Meal 5:30-7 p.m. The meal has been planned and prepared by Spencer Theatre Chef William Wilson and includes hamburgers, hot dogs, corn on the cob, baked beans, macaroni salad and dessert.

### Kids College Hosted over 70 Students

Thanks to the New Mexico Out-of-School Time Grant the ENMU-Ruidoso Kids College was made available free to students kindergarten through eighth grades last week. We enjoyed 70 students on campus for our summer enrichment program. Students had the opportunity to learn from the many volunteers and instructors from the community and the college. The class offerings included: art, boxing, careers, chess, clay, cooking, dance, fire and forest, horse camp, manners, plants, poetry, resin, science, singing, Spanish, sports, theater, wood crafts, writing and yoga.

Presented by ENMU-Ruidoso and San Juan College in Partnership with the Mescalero Tribe Department of Education

Saturday, August 12, 10 a.m.-2 p.m.  
Inn of the Mountain Gods Convention Center

Come and learn more about what ENMU-Ruidoso has to offer, including our partnership with the San Juan College School of Energy. Explore opportunities in high-paying and in-demand job fields and learn more about the Mescalero Tribal Scholarship supported by Conoco-Phillips.
