

Pre-Nursing

Certificate of Occupational Training

34-42 credit hours

Can be completed in the Hybrid Model

This certificate will provide students with coursework identified by the New Mexico Nursing Education consortium (NMNEC) as the common statewide prerequisites and general education courses for an ADN. Students completing this certificate can apply to ENMU-Roswell or any state founded New Mexico Community College or University and apply for admission into their ADN program. Students must consider that passing mandated background checks and drug screening is a condition of entry into NA/L courses and nursing programs in NM. Mandatory drug screening, criminal background checks and other clinical prerequisites will be required for all Nursing Assistant students. Students should contact their instructors or talk with their advisors as soon as possible for more details. Upon completion of the certificate students will be able to:

- Achieve a general education that serves as the solid base for the practice and education of nurses, as defined by NMNEC.
- Assemble entrance packet required to enter a nursing program.
- Sit for entrance exam dictated by nursing program.
