

### Enrollment Continues to Grow at ENMU-Ruidoso

ENMU-Ruidoso released enrollment data Friday, Feb 2, 2024; the results showed continued enrollment growth, with spring enrollment up 16% over spring 2023. Numbers have increased in every category from spring 2023. Headcount enrollment numbers are at 705 students, a 16% increase from spring 2023, with student credit hours increasing by 19%. ENMU-Ruidoso also saw a 15% increase in degree-seeking students from spring 2023 to spring 2024. “Our growth is the work of outstanding ENMU-Ruidoso faculty and staff, who work tirelessly to help students be successful,” said President Ryan Trosper. “It is also a testament to our local community, legislators, ENMU System, New Mexico Higher Education Department, and our Governor for supporting higher education including facility improvements for our campus leading to a better campus experience for students.” ENMU-Ruidoso continues to see increases in its students attending in-person classes at the College increasing by 19% over Spring 2023. This marks the fourth consecutive spring of overall enrollment growth for the College.
