Writing Center Available to Help Students

The Writing Center is staffed with tutors Mondays and Tuesdays 10 a.m.-3 p.m. and Wednesdays 1-5 p.m. Tutors are available to assist and support students through every stage of the writing process, whether it is to help understand assignment instructions, brainstorming, drafting, revising, citations, etc. Students can drop by in-person during Writing Center hours, no appointment needed, [or schedule an appointment to select a meeting time here](#). If students can't make it to campus, they may also [schedule an appointment for a live online session through Teams \(this can be video, voice, or text chat\)](#). If students are further along in the writing process and [prefer written comments on their assignments asynchronously, they can fill out that form here](#) (please note that students will need to log into their ENMU-Ruidoso account in order to access the form). Check with your instructors to see if they are willing to give extra credit for students who visit the writing center for assistance on their assignments.
