Calling all students!

The President's Ambassadors Club is looking for bright-minded students to represent the college. All students are welcome, from dual-credit, traditional and non-traditional.

The Ambassadors Club is not just a title, it's a collaboration. We host events like Game Night with the President and Open Mic Night; Ambassadors also go to public events, and even travel!

A stipend is offered to those who join which can help with school supplies or anything else, meet your peers during our meetings, and be an asset to our group.

We look forward to meeting you!
