## Eight Phlebotomy Students Recognized at Pinning Ceremony

ENMU-Ruidoso recognized eight students for completion of the Phlebotomy certificate of occupational training and presented them with pins for completion of the program March 22, 2025. Director of Career and Technical Education Gray Mowery welcomed the audience, and opening remarks were given by President Ryan Trooper. Phlebotomy Instructor Bobbie Owen recognized the phlebotomy students, and the class was presented for pinning. Pinning a graduating phlebotomy student symbolizes their initiation into the phlebotomy profession and marks the completion of their occupation lab training.

The graduates and their hometown include Karen Crespo, Angelica Pizarro, Theresa Renteria, Angelica Sanchez and Ashlea Young of Ruidoso Downs; Maci Hamilton and Berenice Gallegos of Ruidoso; and Brooklyn Rodriguez of Alto. Upon completion of the program, students are eligible to take the national certification exam for phlebotomists (American Society for Clinical Pathology (ASCP) Phlebotomy Technician (PBT) Board of Certification). This program requires 100 clinical hours and 100 sticks and is offered in part by Tri Core Labs and Lincoln County Medical Center.
