ESL Students Celebrate Success

Students from the Beginning English as a Second Language (ESL) 10-week course celebrated their hard work and achievement with a special night out on April 5. The evening began with dinner at K-Bob's Steakhouse, where students had the opportunity to practice their English skills by ordering their meals and interacting with restaurant staff. After dinner, the group went to Spencer Theater to watch the high-energy performance of *iLuminate*. Thanks to the generosity of the Spencer Theater's Ticket Angel Program, students received complimentary tickets to the show as a reward for completing the course. Student Services Coordinator and ESL Instructor Jessica Garcia and Student Success Advisor Destiny Hixon accompanied the group for this fun and memorable evening.
