

EMT / EMS PROGRAMS

EMERGENCY MEDICAL TECHNICIAN ADVANCED

Certificate of Occupational Training

15 credit hours

The Certificate of Completion in Emergency Medical Services (EMS) offered by ENMU-Ruidoso is intended to provide students with the skills necessary to pursue a career as a service provider at the Advanced Emergency Medical Technician (AEMT).

Upon completion of the certificate students will be able to:

- Perform the duties of an AEMT in both clinical and operational settings.
- Demonstrate competency of clinical skills at the AEMT level.
- Identify and treat life threatening conditions according to both national and state standards of care.
- Attain employment as an EMS provider in New Mexico.

Required for Acceptance into the Program

Completion of college admission requirements

Completion of university skills placement test

Students must be 16 years of age or older at the time of enrollment

Mandatory Drug Screening, criminal background checks and other clinical prerequisites will be required for all EMT students. Students should contact their instructors or talk with their advisors as soon as possible for more details.

Current EMT Basic License (NMEMT and NREMS).

Any student who is ineligible for state, national, or industry licensure or certification is ineligible for entry into this program.
