

FERMENTATION SCIENCE PROGRAMS

FERMENTATION SCIENCE ENTRY LEVEL

Certificate of Completion

7 credit hours

The Certificate of Completion in Fermentation Science for the Brewing & Distilling and/or Enology & Viticulture is designed with a specific focus on workforce to provide students with the skills necessary to pursue a career in the industry.

Upon completion of the certificate students will be able to:

- Understanding of sanitary methods
- Apply workplace safety up to industry standards.
- Demonstrate forklift operations and safety standards.

Any student who is ineligible for state, national, or industry licensure or certification is ineligible for entry into this program.
