ENMU-Ruidoso Foundation Scholarships

A source to help you fund your college education!

You are invited to apply for scholarships through the ENMU-Ruidoso Foundation. Scholarships are designed to reward, encourage and assist students in their pursuit of academic excellence and leadership roles.

Each scholarship is different and was established uniquely for a purpose. Many scholarships have been set up through endowments or trusts by benefactors of the college. These scholarships are awarded based on the criteria set by the donors. The amounts of these scholarships are determined by the amount of interest earned on the donation, which may change from year to year.

Scholarships are awarded for the academic year. This means that the total amount is divided between the fall and spring semesters. If a student graduates in December, only the fall portion will be awarded.

Many scholarships are renewable. To be eligible to receive a scholarship again, you must reapply each year.

All scholarship recipients who receive an ENMU-Ruidoso Foundation scholarship must adhere to the following **BEFORE** the scholarship will be awarded:

- Send a letter to thank the donors of the scholarship (Our office requests a copy)
- Attend the annual awards assembly and/or donor reception
- **Failure to comply will result in the loss of the scholarship.**

Scholarships are not the only way to pay for college. There are numerous opportunities to help you finance your education with ENMU-Ruidoso. Please check with our Success Emporium and speak with Hank Hargis for more information on student loans, grants and other ways of paying for school.
